

Online Training Questionnaire

September 2006

Open comments

At the end of the questionnaire respondents had the option of selecting from a list of pre-defined comments to pass on to the HPS team. 25% of respondents made use of this option.

A selection of the most positive comments made:

- The seminar boosted my self-confidence and greatly enhanced my personality. The training was simply great! Thanks again!
- It was a great seminar and another milestone on the way to improving my personal impact.
- This was the best seminar that I have ever taken part in. Well done!
- I have already recommended your company to others because I appreciate your professionalism. I learnt a great deal during the seminar.
- A very good seminar, hands-on with plenty of chances to practice, the seminar time was used optimally and everything was well organized. Many thanks! The HPS seminar was one of the best seminars for a long time and the customer care was excellent. Thank you!
- The intensity of the work on presentations during the seminar was a real key to its success. Without doubt one of the best seminars to date.
- It was a super seminar during which I learnt a great deal while at the same enjoying it. Many, many thanks!
- Very informative and definitely worth recommending.
- Anyone who does not benefit from the seminar can only blame themselves.
- Thanks! I gained a lot of self-confidence as a result of the seminar – something of course that my audience also sense.
- The seminar had clear tangible benefits.
- A very important project was approved for implementation after a three-year planning phase. The presentation definitely played a key role in gaining the go ahead.
- It was very hard work for me but rewarding and very professionally prepared.
- All of the HPS trainers that I have met so far have been able to pass on valuable knowledge and useful skills in a competent way that I personally found very motivating and enjoyable.
- The rightful market leader!
