

PowerTalk

Succeed in critical situations - winning ways with rhetorical skills

Why this is a must

Argue your case and stand your ground. You don't need to rely on PowerPoint, but will be able to convince your audience with your delivery and personal presence.

Your message will get through. At long last.

Who benefits

This is a perfect Training for experienced communicators, managers, team leaders, and consultants. The training will be indispensable to anyone who is often asked to speak spontaneously to a group. It will provide you with a reinforcement tool if you are confronted with resistance during your presentations and need to know how to confidently neutralise the opposition's arguments.

Training course content

- Power up your personal impact – especially in spontaneous situations
- Use your voice and diction to raise attention levels and reinforce your arguments (dictaphone check!)
- Let your messages take effect with consistent target group focus
- Use dramatic pauses to let your messages take effect
- Use key gestures to anchor your main message(s) in your audience's mind
- Convince and inform in just 3 minutes: HPS Blitz-Info and HPS Blitz-Proposal
- Spontaneous speaking with no time to prepare: the HPSpresso® Method
- Objections, interruptions and attacks: keep the relationship level intact
- Comprehensive training material, practical tools and the HPS app

Training methods

- Working on topics from your own professional experience
- Participants bring a short presentation on their own notebook to the training session
- Individual learning: we work at a level of intensity tailored to the speed of the group
- Up to 16 video recordings per participant - stress free video analysis and a personal SD card to document progress
- Highest amount of practice and feedback possible through peer learning and multi-component feedback
- Entertraining®: learning with the fun factor driven by tangible progress
- Intensive training with energiser modules
