

## Prezi intensive workshop

"Different" presentations with Prezi – the creative tool

### Why this is a must

Learn how to use Prezi skillfully and professionally, and give more creative presentations than your competitors.

No more ordinary PowerPoint slides.

### Who benefits

Presenters who like to use a different approach to presenting, who want to impress and are interested in new technologies.

You will receive detailed download Information about 3-4 weeks prior to the workshop.

### Training course content

- You will learn how to handle the Prezi software
- Avoid typical mistakes, like “sea sickness”
- Present more flexibly and demonstrate high level of technical competence
- Illustrate relationships logically and surprise your audience with creative ideas
- Work with designs, texts, photos, videos, zoom and navigation
- Develop your story and visualise it professionally in Prezi
- Practical exercises: present Prezis effectively – live and online

## Training methods

- Develop your Prezi canvas step by step
- Workshop character: you create your own presentation in Prezi
- Best practice examples: the impact of top Prezis
- Individual focus instead of a fixed programme: participants decide which of the many functions will be dealt with in detail
- Permanent technical support from the trainer
- Entertraining®: learning with the fun factor driven by tangible progress!
