

Slides that win!

Creating convincing slides

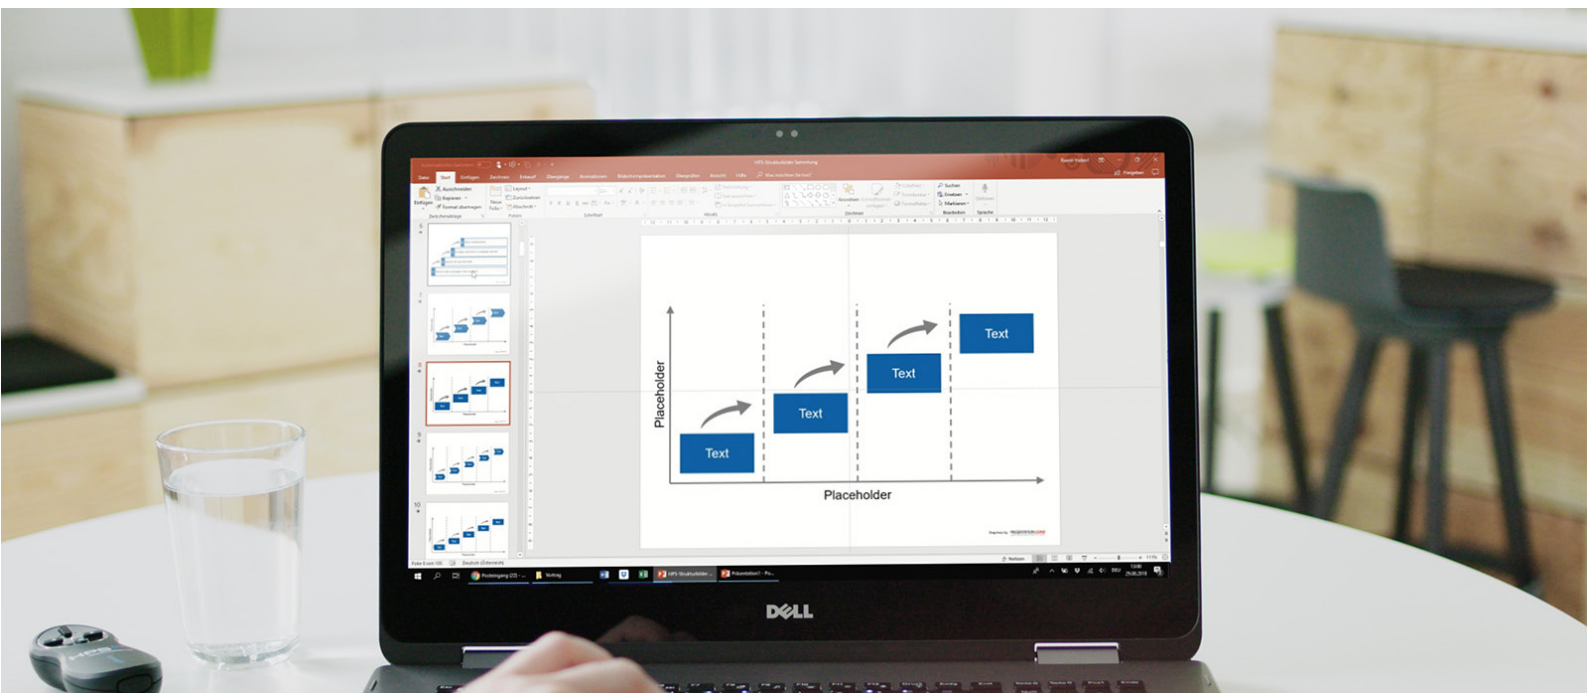

Why this is a must

Grab your target audience's attention with relevant content, the right visuals and a perfect impact.

Your words will last long in the memory.

Who benefits

Everybody who creates slides and is interested in getting more out of PowerPoint® than mere technical applications. Also for assistants who develop presentations for others. Please note that this course is designed for experienced users. For participants who do not have a solid command of PowerPoint®, we recommend the workshop "PowerPoint® – To the point".

Training course content

- State-of-the-art expertise with regard to concept, slide creation and visualisation
- Fast and efficient creation of presentation slides that are effective – not just “beautiful”
- Design attractive visual elements like images, tables, charts, photos, logos
- Opt for the right effects to reinforce your messages
- Many practical tips to get the most out of PowerPoint® - and save time

Training methods

- Try out what you have learned on your own slides – valuable before/after comparison including improvements from within your group
- All participants work with their own notebooks and PowerPoint®
- Group as well as individual work, optimising results together as a full group
- Entertraining®: learning with the fun factor driven by tangible progress!
